I understand that pellets can bruise the skin if shot at a close distance. I confirm that the operators shall not be liable for any loss or damage, cost or expenses arising from the participation of Splat Attack games, which was not reasonably foreseeable by the operator on the date of attendance on site, except in the respect of death or personal injury resulting from any act or omission on the part of the operator.

I confirm and agree that I (or the child named) may never deliberately shoot anyone in the face or head with Splats, or at a distance of less than three meters, that he/she will obey all reasonable requests of Splat Attack staff personnel.

**Footwear:** I acknowledge that the recommended footwear for my child is a boot with ankle support and deep tread/rubber soles. I recognise that if my child is not wearing the recommended footwear he/she is participating at a significantly higher risk of injury.

**Goggles:** Although our staff are on hand to instruct the participants, it is ultimately the player's responsibility to ensure that the goggles with which he/she shall be issued are worn correctly. If in any doubt about how to adjust the goggles, he/she may immediately seek advice from a member of staff. I accept that if he/she lifts or removes his/her goggles for any reason whatsoever when in the marker or game arena, he/she may be excluded from participating in the activity for the remainder of the day and that no refund will be given.

**Photography and video consent:** From time-to-time the venue and/or it's players may take photos and/or videos on site and/or keep various documentary records of the proceedings.
